Sore throat YES NO

I, the undersigned, accept and support the measures taken by Terenure Sports Club Camp to try to prevent the spread of COVID-19 amongst participants, teachers and support personnel, and agree to the terms and conditions on the following pages.

I have completed this form truthfully and accept willingly that as a result of my responses above that Terenure Sports Club Camp, in accordance with its current procedures, may deny my child/children entry to the camp for a period of time.

Please fill in your name above

Note: Further to the outbreak of COVID -19 (Coronavirus), Terenure Sports Club Camp is adhering to guidance from Tennis Ireland and the Department of Transport Tourism and Sport Expert Group in an effort to contain the spread of the Covid-19 virus and ensuring a safe environment for participants and staff.

This screening procedure is one of our measures seeking to identify any potential cases at the earliest opportunity in order to avoid any contacts/spread. The research to date for this novel virus suggests that transmission appears to be during symptomatic phase. Hence identifying those with symptoms and isolating should reduce risk significantly. In addition, this screening complements our general illness precautions which is to avoid contacts when ill.

TERMS AND CONDITIONS OF TERENCE EASTER AND SUMMER CAMPS

1. No Provisional bookings will be taken. Places can only be secured on receipt of completed form and payment.
2. Places will be filled on a first come first served basis.
3. A Parent/guardian must complete the application form.
4. All medical conditions must be clearly stated on the application form.
5. Children must bring a packed lunch, rain gear and sun cream each day.
6. The hours of the camp are 9.00 am-2.00pm each day.
7. Parents may drop children off from 8.45am
8. Terenure Camp is not responsible for children outside of the above hours.
9. Terenure Camp does not accept responsibility for the loss or damage to any property belonging to the participants.
10. Terenure Camp reserves the right to cancel part of/or the entire programme with all payments refunded.
11. All valuables must be left at home.
12. Information of activities is given in good faith. All arrangements and activities are subject to change depending on weather condition, programme schedule and other arrangements. Terenure Camp has the right to cancel amend or alter activities accordingly.
13. Terenure Camp will keep a current insurance policy for the duration of the Camp.
14. If a child is unable to attend a full refund will be given if 7 days notice or a doctor's note is given.
15. Lost property will be held onto for 2 weeks after course finishes.
16. Any participant whose conduct is deemed by the camp manager to be detrimental to the best interest of the programme will be dismissed - no refund will be made. Children must comply with all safety requests by their teachers and supervisors. Failure to comply will result in the child being removed from the activity.
17. Mobile phones are not permitted at camp.
18. Permission is granted to seek medical treatment in the event of an accident.
19. I/We consent to the use of any photographs that may be taken of our child during the camp to be used, distributed or shown as Terenure Camp sees appropriate

TERENURE SPORTS CLUB CAMP SAFETY GUIDELINES AND PROTOCOLS

In accordance with Government Covid-19 Guidelines, summer camps can open from June 29th. Terenure Sports Club Camp understands the situation is ever-changing and we are providing some guidelines based on Government advice. This is to ensure that camp participants and staff will be provided with a safe environment and to ensure that the risks associated with COVID-19 are minimised.

Please read the following guidelines and protocol.

1. If a child has been in contact with a person with or displaying the symptoms of COVID-19 in the last 14 days, he/she should not attend the camp.
2. If a child has been outside the country in the last 14 days, he/she should not attend the camp. If he/she is symptom free for 14 days he/she may then attend
3. If at any stage a child begins to show signs or symptoms of COVID-19 during the duration of the camp, the parent or guardian must not send them to camp or should collect them from camp as soon as possible. A designated area will be assigned to ensure that a child with a suspected case can be isolated until parental collection occurs. The Camp Co-ordinator reserves the right to refuse entry to a child displaying signs of COVID-19. (Symptoms of COVID-19= Cough, fever, shortness of breath, excessive fatigue, sore throat)
4. Children will be assigned to a certain group on Day 1. The child will remain with this group/pod for the duration of the camp.
5. Each group will be capped at 15 children.
6. Children should remain with their groups during break times.
7. In so far as possible, activities will take place outdoors. This may change as government restrictions are eased. Therefore, parents/guardians should ensure that their children have adequate rain gear and that they have applied sunscreen before attending camp.
8. Each participant should bring their own water bottle and should have an adequate supply of water with them.
9. Parents/Guardians should speak with their children about the importance of socially distancing from others. i.e keeping 2 metres apart as per government guidelines. Every effort will be made to ensure that camp participants adhere to this rule. It should be noted that it may be difficult to ensure that social distancing occurs always, considering the age profile of the camp participants.
10. Parents/Guardians should discuss safe hygiene practices with their children. i.e. That they are familiar with and follow hand hygiene guidance and advice. That they wash their hands with soap and water for at least 20 seconds or with an alcohol-based rub regularly and in particular –
 - After coughing and sneezing
 - Before and after eating
 - Before and after preparing food
 - If in contact with someone who is displaying any COVID-19 symptoms
 - Before and after being on public transport
 - Before and after being in a crowd
 - When arriving and leaving the camp
 - When hands are dirty
 - After toilet use

TERENURE SPORTS CLUB CAMP SAFETY GUIDELINES AND PROTOCOLS

Participants must also:

- Avoid touching their eyes, mouth or nose
- Cough/sneeze into the elbow
- Have access to facilities to support hand hygiene
- Not share objects that touch their mouth, for example, bottles or cups

11. Cleaning:

- We will ensure that frequently touched surfaces (table-tops, door handles and handrails) will be cleaned and sanitised regularly.
- Waste collection points will be emptied regularly.
- Bathrooms will be cleaned and sanitised regularly. Children will be encouraged to use hand sanitiser before and after using the bathroom and to wash hands thoroughly.
- Equipment will be sprayed with disinfectant after each session and at the end of the day. We would encourage children to bring some of their own equipment eg tennis racket, tennis balls with them to camp each day. However, all equipment should be clearly labelled with the child's name.

12. Hand sanitisers:

These will be provided at all entry and exit points. There will also be a hand sanitiser station for between activity sessions and for before and after breaks.

13. First Aid:

If first aid is required, it may not be possible to maintain 2 metres distance. We will provide first responders with updated training on infection prevention and control principles including performance of hand hygiene and appropriate use of PPE when delivering first aid.

14. Drop off and Collection:

Whilst dropping off and collecting children, parents/guardians should adhere to social distancing guidelines. It is recommended that congregating in groups should not occur.
